Hi Eric,

We missed you today but are looking forward to the trip next week!

We connected with Shashwat and realized we hadn't let you know what hotel we're staying in – sorry about that. We'll be at The Foundation in Detroit. Also, you can bill your flight and hotel to Company Code: 100 and Cost Center: 0000104590. Let us know if you have any trouble with these.

One more question – StockX has asked for any dietary restrictions/allergies so they can order lunch for our visit on Wednesday. Do you or Shashwat have any?

Excited to kick off our partnership in Detroit! Feel free to reach out with any other questions in the meantime.

Happy Friday,  
Callista

Hi Eric,

Not a problem at all, glad you did! We've been making the rounds internally this week with leadership at various levels and our work has been received really well. We are good to go for next week and will be booking our trip today. Thanks again for your partnership, excited to spend some time with you at the warehouse this Friday and next week in Detroit.

Best,  
Isaiah

Hey just two of us, me and Shashwat. We planned to fly in on the 19<sup>th</sup> and fly out on the evening of the 20<sup>th</sup>, so just one night there. With flights and rooms, I figure around \$2k or so total, but haven't crunched numbers yet.

Hi Eric,

Can you send over the list of everyone from your side that you think would be on the trip and what legs of the trip (duration) they'd be able to join? Doing the rough math to see how much we can carry and see what makes most sense. Thanks.

Great thanks. In that case, I'll go ahead and schedule a flight for the day prior, and out the evening of the 20<sup>th</sup>. I'll wait for your signal on sleeping accommodations. I don't think we need to accompany you to NYC, although it does sound interesting. Good luck.

Also, is there a cost center code I can bill this trip to? Vlad's budget is inflexible, and I think we're going to have to charge this to Valiant. If not, let me know, and we can potentially call in.

Thanks,  
Eric

[REDACTED] but still ironing those details out. Either way, we'll be flying into Detroit the night before the meetings (exactly when TBD) -- we'll circle back once we know.

Also, Roger cannot attend, so it'll be me (Eric) and Shashwat. What are your travel plans? Fly in and out that day, or fly in the night before?

Hey Eric,

Perfect! We'd love to have Shashwat and Roger join in on the meetings. We're putting together an agenda for the visit—is there anything you'd like to add before we send it over to StockX? I arranged the warehouse visit first thing so that your team can gain context before diving into solutioning.

StockX x Nike Valiant Labs Visit Agenda - Feb 20, 2019

09:00a - 10:00a StockX warehouse visit

10:00a - 10:30a Travel to StockX offices

12:00p - 01:00p Lunch

02:30p - 03:00p Wrap up

Cheers,

Isaiah,

Our intention was to attend your trip to Detroit in some capacity. We have four folks from our team involved in this project in some capacity, but I think it'd be helpful if two of the guys can tag along (Shashwat and Roger). [REDACTED]

We should certainly try and meet up beforehand. Let's set something up on the 15<sup>th</sup>, and we can head to your area at the Pearl. It'd be nice to get out of our hovel for a while.

Hi all,

We're beginning to plan our next trip to visit StockX in Detroit (their HQ) and wanted to see if you wanted to come along in some capacity. We're meeting [REDACTED]

Also, wanted to put time on your calendar to meet up on next steps from a technical perspective. Will is in town the week of the 11<sup>th</sup> and we have time open on the 14<sup>th</sup> and 15<sup>th</sup>. We'd love to setup a workshop or planning session with you all to iron out details. Let me know who you think should be in this meeting and we'll set it up.
